

3rd Annual VRCC National Ride-in

July 23, 2003 - July 27, 2003

Thank you for your interest in the InZane 3 Valkyrie Ride-In!
Once again, our event will be located in Zanesville Ohio July 23 – 27 2003.
Enclosed is the Vendor Registration information you requested. Please fill out the registration form and return it to us, along with your check made out to the **Valkyrie Riders Cruiser Club**.

As we did last year, we have also extended invitations to VTX and GoldWing riders, so keep that in mind when you decide what part applications to bring with you.

The Hotel has required that all vendors submit proof of insurance to them for the event. All I need is a copy of your policy showing that you have some kind of insurance. For the smaller vendors, even a copy of your homeowner's policy will suffice. Please include the insurance policy copy when you return your application form to me.

Upon arrival at the Holiday Inn, any one of the staff will be more than happy to guide you to the vendor area. We will do whatever we can to make your experience in Zanesville a pleasure. It is suggested that you arrive no later than Tuesday morning, July 22. Many of the larger vendors arrive Monday to insure ease of display set up.

If you have any special requirements, please let me know on the registration form and we will try to accommodate you. If you have any questions, please feel free to contact me.

You will also find a map of the area showing where the InZane Valkyrie Ride-In will occur. Additionally, included is information regarding all the local hotels, campgrounds and relevant contacts and phone numbers in the Zanesville area. We will also be handing out registration packets to all participants, so if you would like us to include any fliers, or discount coupons to your business, contact me so we can arrange to have them inserted. You can see a list of our current vendors at <http://www.valkyrieriders.com/Inzane/IZ3Vendors.htm>. Additional event information can be found at <http://www.valkyrieriders.com/inzane/iz3home.htm>

Many thanks and best wishes towards a successful event,

Dave Ritsema

G	60 x 20	n/a	30 amps max.	200.00	20

*Note Some vendor prices have increased this year. This is primarily due to the Hotels additional costs for electricity infrastructure and consumption. Please choose the "Package" you require, and we will do our best to accommodate you. One thing to remember, we are not running a mobile home park, the electricity is primarily for your business needs. If you can use it to run your RV during off hours without blowing circuits, that's fine with us. If you have special power requirements, please contact me and I will try and accommodate you.
